

# UNITED WAY OF THE CAPITAL REGION ON-SITE VOLUNTEER OPPORTUNITIES

LIVE UNITED

## WHY VOLUNTEER?

On-site volunteer projects are great for team building and help reinforce your organization's dedication to giving back to our community. Most projects can be completed in an hour and provide time for social interaction among your staff. We provide various projects in the areas of health, education, workforce development and basic needs.

## WHEN TO VOLUNTEER

- Completing an on-site project during your United Way campaign is a great way to get involved in United Way's work and learn how donor dollars make a difference.
- On-site volunteer projects are available year-round and can be included as part of meetings, trainings or other volunteer events.

## WHAT YOUR COMPANY PROVIDES

- After choosing a project, your company would provide the items needed. Most can be purchased in bulk or collected via an employee drive.
- You provide the volunteers and the space. We can also host volunteer groups at United Way's office.

## WHAT UNITED WAY PROVIDES

- Customized flyers and written instructions.
- On-site facilitation the day of the event, if desired.
- An Amazon Wish List link can be provided, if desired, to replace or supplement a drive at your office.
- We will also distribute any items made/assembled to participants in our initiatives or our initiative partners.
