

EMPOWERING INDEPENDENCE THROUGH WORKFORCE DEVELOPMENT

APRIL 2024 EDITION

A workforce development initiative of:

Issue

36% (average) of people in Cumberland, Dauphin and Perry counties do not make enough money to make ends meet, or live below the federal poverty level.

Solution

Road to Success, United Way of the Capital Region's workforce development initiative helps people get – and keep – jobs with opportunities for advancement to earn a living wage.

Results

207 individuals

graduated from the program and are independent with a stable income.

148 individuals

are currently employed in the program.

76% retention rate (employed 6–12 months) for **Road to Success** participants with partner employers versus the standard rate of 54% reported by partner employers.

Helping People Succeed in the Workforce

We help individuals become ready for employment. We:

- Assess skill level.
- Provide training on soft skills.
- Connect to additional education and training support.
- Provide budget counseling to help individuals become financially independent.

We also help people overcome barriers to success by connecting them to:

- Language support
- Transportation assistance
- Child care programs
- Clothing/uniform providers
- Health care

PROGRAM OUTPUTS

24

partner employers

214 individuals

are currently enrolled in the program and receiving job support, training, or support services.

Through our work with community partners, we hope to help lift individuals and families out of poverty through workforce development.
