COMMUNITY LEADERSHIP AND VOLUNTEERING

Exclusive Events and Volunteer Opportunities: United Way LINC offers unique volunteer events that elevate your community, connections and social calendar. During these events you'll have the opportunity to volunteer and network with other early career professionals who are passionate about developing new skills and getting involved to build a stronger, more vibrant community.

In January 2018, United Way LINC officially launched with the event, "Brews & Blankies." More than 50 volunteers came together at a local brewery to network, nosh and assemble "no sew" blankets for local shelters.

GIVING

Annual Campaign: In 2017, more than 60 donors stepped up to become our very first United Way LINC members. They contributed more than \$26,000 to support the work of our community pilot projects in the areas of access to health care, school readiness and workforce development, as well as basic needs services and our program partner agencies.
